Due to the pandemic, family's lives have been turned upside down. Parents have lost their jobs or have to sacrifice their work life to stay home with their children while they are distance learning. Parents are struggling to provide the essentials to their families with food being the main one.

We kindly ask that you please consider partnering with UWKC on our "Thanksgiving Dinner Distribution Project" for the rural communities of Kern County and help families stay healthy. In order to make this happen we need your financial support. Your sponsorship will help provide hot meals to families in the rural, under-served areas of Kern County for Thanksgiving during this crisis. The hot meal includes, turkey, mashed potatoes with gravy, vegetables, dinner roll and a dessert.

As we continue our mission to reach individuals and families during this pandemic, partnering with organizations like yours helps us to reach our goal of making an impact and keeping our community healthy.

We look forward to working you on this project and others in our near future. Together, we can Help Kern Stay Strong! Please feel free to contact me or our organization, should you have any questions or need further details.

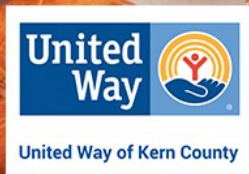

Tuesday, November 24, 2020 – United Way of Kern County will provide a drive-up, Thanksgiving meal distribution to the Arvin, Weedpatch and Lamont communities.

**Sponsorship Opportunities:** Your Logos will be on website, flyer and mentioned on social media posts. Signage can be place during the event

As we continue our mission to reach affected individuals during this time, we have utilized our [HELPKERN.org](http://HELPKERN.org) campaign to partner with individuals and organizations who are willing to make a difference in our community.

We look forward to working together and continue to Help Kern stay strong during these difficult times.  
UNITED, WE WILL GET THROUGH THIS!
